Objective of webinar:

- To provide a practical understanding of the framework and step-by-step process of Social Impact Assessment (SIA).
- To build capacity in identifying, evaluating, and managing social impacts of projects and policies.
- To build practical capacity for integrating SIA into project planning, policy decisions, and development interventions.
- To discuss legal, regulatory, and ethical considerations relevant to conducting SIAs.

Who should attend this webinar?

- NGO's, Trust, Section 8 Companies, Charitable Societies and other Social Enterprises.
- Professions employed/working with the Social Enterprises.
- Chartered Accountants in practice/employment for gaining insights about professional opportunity in SSE
- Social Impact Assessors enrolled/registered with ISAI
- Any individual who has interest in development sector
